This hybrid course includes online activities with some class meetings. There will be a number of MANDATORY meetings on Tuesday evenings from 4:15PM-6:15PM throughout the semester in Room J-106. These are on-campus test times and you must make arrangements to be present at these times. This course requires significant time working outside class. Generally, for every one credit hour in which you enroll, you will spend approximately 2-3 hours outside of class studying each week. Therefore, in order to be successful in this 4 credit course, most students will require 8-12 hours of study time per week. Carefully consider whether your course load will allow you to dedicate sufficient time to this course. Students must also register for BIO 141-71L Lab Only.

This hybrid course includes online activities with some class meetings. There will be a number of MANDATORY meetings on Thursday evenings from 5:15PM-6:30PM throughout the semester in Room J-125. These are on-campus test times and you must make arrangements to be present at these times. This course requires significant time working outside class. Generally, for every one credit hour in which you enroll, you will spend approximately 2-3 hours outside of class studying each week. Therefore, in order to be successful in this 4 credit course, most students will require 8-12 hours of study time per week. Carefully consider whether your course load will allow you to dedicate sufficient time to this course. Students must also register for BIO 141-72 Lecture Only.
