2020-2021 Direct Parent (PLUS) Loan Request Form Blue Ridge Community College

Application Instructions:

Step 1 - Complete the Free Application for Federal Student Aid

In order to establish eligibility for the Federal Stafford and/or PLUS loan you must complete and submit a FAFSA form for the applicable award year that you are planning to enroll. You may <u>apply online</u>. Be sure to include BRCC's school code (006819) on your FAFSA. BRCC will not certify your Stafford or PLUS loan without first obtaining the processed results from your FAFSA application. FAFSA and any additional requested paperwork must be completed before loan can be processed.

Step 2 - Apply for Online Credit Decision

Federal Direct Parent PLUS loans are credit-based. In order to apply, you must submit an authorization to the Department of Education to perform a credit check to determine your eligibility. To apply for the Federal Direct Parent PLUS loan go to <u>Federal Student Loan</u>, choose the dropdown menu Apply for Aid, and then choose the option Apply for a Parent PLUS Loan. You will be required to log in using the borrowing parent's sign-in information (NOT the student's).

Please note – if you are not the parent who electronically signed the FAFSA, you will need to <u>create a unique FSA ID online</u> prior to application.

Once logged in, you will need to complete the online application with the necessary information and submit. This allows the Department of Education to perform a credit check and determine your eligibility. Please note: this electronic application by itself is NOT sufficient to have the application processed. You MUST also complete steps 3 and 4 in order for the school to process the loan.

Step 3 - Complete your Master Promissory Note (MPN)

To apply for a Federal Direct Parent PLUS Loan, you **must** submit a completed and signed Master Promissory Note. The <u>promissory note is completed online</u>; choose the dropdown menu Complete Aid Process, and then choose the option Parent PLUS MPN. Failure to promptly complete your Promissory Note will delay processing of your loan request. Your MPN is a legally binding document stating that you agree to repay your loan and that you accept the terms and conditions of your loan. The MPN also defines your rights and responsibilities as a borrower, so it's vital that you read and understand this document.

Step 4 - Complete the BRCC Loan Request Form on the following page.

The BRCC PLUS Loan Request Form is on the reverse side of these instructions. Complete the form and submit to the Financial Aid Office for processing.

Information on Federal Direct Parent Loans:

The Federal Direct PLUS Loan is available **only** to the parents of dependent students or to graduate students. The information above is **required** in order to originate your request for a PLUS loan. PLUS loans are approved or denied by the U.S. Department of Education on the basis of a credit check.

When a parent of an undergraduate student is denied approval for a PLUS loan, the student becomes eligible for additional unsubsidized student loan funds of up to \$4000, which he or she will need to request through the BRCC Financial Aid Office. Alternately, the parent may apply to borrow with an endorser. Please contact the financial aid office if you plan to pursue an endorser upon credit denial.

You may choose on your credit application whether you prefer to begin payment immediately or after the student is no longer enrolled in at least 6 eligible credit hours per semester.
