

Student Health Safety Agreement

The health and well-being of our students, instructors and staff is a top priority. With the ongoing uncertain future of the COVID-19 Pandemic outbreak, it is imperative we follow very specific guidelines until such time as the Pandemic ends. This document provides guidelines for keeping students, instructors, and college staff safe during the current COVID-19 pandemic for all in-person classes/activities. As a condition of your participation in on-campus courses and activities, students will be asked to practice and follow current [CDC guidelines and recommendations](#) consistently for the safety of not only themselves, but of others at the college.

We strongly encourage everyone to get COVID-19 vaccinations and boosters. Masks are not required, but may be worn at any time.

Student Expectations:

1. **I will not come to campus sick or stay if I feel sick.** I will contact my instructor so that he/she is aware and can make instructional accommodations if necessary. I will stay in touch regularly with my instructor.
2. **I will be prepared if this in-person class is moved online.** In the event of a new outbreak or change in state guidelines, I understand it is possible my class may be moved online, fully or partially. I understand that if my class is moved online, I will need access to technology and internet with as little as 24 hours' notice.
3. **I understand the recommendation to sign up for the BRCC Alerts** so that I will receive school-wide bulletins and update TEXTS/EMAILS not only about closing, but other emergency information I should know. For the latest emergency closing information, please sign up for BRCC Alert by visiting <https://www.brcc.edu/status/>.
