Student Acknowledgement

S.O.A.R.'s resources are aimed at helping current BRCC students continue their education. Those who have completed 12 credits, have earned at least a 2.0 GPA, and can clearly define their "at risk" emergency or unexpected situation are given priority for funding assistance. The S.O.A.R. Center is primarily funded by donations from community members, BRCC alumni, and faculty and staff who give generously to "pay it forward." However, providing financial assistance is only one small part of what we do. Additional resources at Beyond the Blue include referral services to address physical, emotional, and social support. When you are able, please consider making a donation to BRCC's Educational Foundation, earmarking contributions for BRCC Student Outreach & Resource Center.

I certify that this application information is accurate, and understand the mission of The S.O.A.R. Center's services.
