

2024 Summer Federal Direct Student Loan Request– Blue Ridge Community College

Application Instructions:

Step 1 – Complete the Free Application for Federal Student Aid

In order to establish eligibility for the Federal Direct and/or PLUS loan you must complete and submit a FAFSA form for the applicable award year that you are planning to enroll. You may apply on-line at <https://studentaid.gov/h/apply-for-aid/fafsa>. Be sure to include BRCC's school code (006819) on your FAFSA. BRCC will not certify your Direct or PLUS loan without first obtaining the processed results from your FAFSA application. FAFSA and any additional requested paperwork must be completed before loan can be processed.

Step 2 – Complete Entrance Counseling **Note - not required if completed at BRCC within the past 10 years**

To apply for and receive a Federal Direct loan, the federal government requires that you understand the basics of borrowing. This is done by completing a brief entrance counseling session online. Entrance Counseling is completed by going to <https://studentaid.gov/>, click on the drop down menu Complete Aid Process and then choose Complete Entrance Counseling. You will be required to log in using your FSA ID and password to complete entrance counseling. The counseling session will help you learn more about the necessity of repaying your student loan and planning for repayment. You will also learn about the Master Promissory Note, and your rights and responsibilities as a borrower.

Step 3 – Complete your Master Promissory Note (MPN) **Note - not required if completed within the past 10 years**

To apply for and receive a Federal Direct Loan, you must submit a completed and signed Master Promissory Note. Your promissory note is completed online by going to <https://studentaid.gov/>, click on the dropdown menu Complete Aid Process, and then choose Subsidized/Unsubsidized MPN. You will be required to log in using your FSA ID and password to complete the promissory note. Failure to complete your Promissory Note promptly will delay processing of your loan request. Your MPN is a legally binding document stating that you agree to repay your loan and that you accept the terms and conditions of your loan. The MPN also defines your rights and responsibilities as a borrower, so it's vital that you read and understand this document.

Dependent Students:

Freshman students may borrow up to \$5500 per year, no more than \$3500 of which may be subsidized.

Sophomore students may borrow up to \$6500 per year, no more than \$4500 of which may be subsidized.

Independent Students (and Dependent Students Whose Parents have been denied a PLUS loan):

Freshman students may borrow up to \$9500 per year, no more than \$3500 of which may be subsidized.

Sophomore students may borrow up to \$10500 per year, no more than \$4500 of which may be subsidized.

Lifetime (also known as “aggregate”) Direct Loan limits:

Subsidized vs. Unsubsidized Loans:

Subsidized loans have the interest paid by the federal aid program while you are enrolled in college at least half-time.

Unsubsidized Loans accrue interest while you are enrolled in school. You have the option whether to pay the interest while you are in school or have it deferred until you graduate or are no longer enrolled at least half-time.

Your loans must be repaid. After you graduate, leave school, or choose not to enroll at least half-time (6 credit hours for undergraduate students, 5 hours for graduate students), you will have a grace period of six months after which you must begin making payments to your student loans.
